Babies and Younger Siblings

Attendance of babies is usually no problem. When they start to get a bit older and want to join in, then a generous discount of 40% is available for the second child coming to the same class. Once the younger baby turns one, then they will be considered to be joining in and fees (including the discount) are payable. In the case of twins, there is a 25% discount for the second twin.

Cancellation and Refunds

If you need to cancel your place at any time during the term a \$30 cancellation fee will apply.

Refunds are not possible for missed classes. Provided you call or email prior to 9am on the day of the class that you will miss, then instead you can attend a class on another day, send a friend along to the class in your place, or bring a friend along to a class with you, so long as it is within the term you have paid for and there is space available. Make sure you confirm before making up the missed class to avoid the situation where there are too many children in the one class.

Instruments and Puppets

If you would like to purchase any of the items we have used in the classes during the term please let us know and we will try to get them for you! For a comprehensive list of items for sale visit <http://stores.ebay.com.au/Little-Feet-Music>
